

Roses and Rosedale Summer Edition

A Historical Walking Tour of Sehmel Homestead Park

Saturday, July 8 11:00 am to 12:00 pm

Come beat the heat and head into the woods with us as we walk a portion of the more than four miles of park trails. Along the route, the staff of EnviroCorps will talk about the history of the Sehmel family, their farm, and their place as one of the original pioneering families of Rosedale at the end of the last century. As they lead the walk, your guides will share information on the many noteworthy plants along the way. Please meet at the flag poles, in front of the snack bar, across from Volunteer Vern Pavilion.

This event is free, family friendly, lasting approximately one hour, and will be held rain or shine.

For more information please call Karen at 253-225-6900

Or visit penmetparks.org, the Sehmel Homestead Park Facebook page or the EnviroCorps Facebook page.
