7/24 to 8/29 Mondays 10-11:30am

Introducing a new day program for young adults with disabilities ages 15 and up. Come join us on Mondays from 10:00am to 11:30am at PenMet Indoor Soccer Center for fun activities and a meeting place for young adults to connect and stay connected with their community and peers.

We will offer physical and creative activities allowing all attendees the opportunity to participate at their level of interest. This is a parent led program with PenMet Parks offering this facility for us to enjoy at no charge! Caregivers are required to stay and provide supervision/assistance as needed.

We welcome friends and peers to join us in this exciting free program. Let's meet-up and hang-out with our friends. We look forward to seeing you soon.
