

Comprehensive Parks, Recreation and Open Space Plan

In September, 2017, PenMet Parks held an Open House to share the status and results to-date for the 2018 Comprehensive Parks Recreation and Open Space Plan Update.

The open house attendees submitted additional comments as they reviewed the materials. If you missed the meeting, you can comment, too.

Use this link to review the [Open House Display Boards](#), and then submit comments by e-mail to either: Steve Duh - Steve@conservationtechnix.com -or- Eric Guenther – EGuenther@PenMetParks.org

Be sure to submit your 3 priorities (and only 3) from the following list:
(1-first; 2-second; and 3-third priority; place number 1, 2, or 3 to left of item)

- ALL-WEATHER SPORT FIELDS & LIGHTING
- WATERFRONT ACCESS & BOAT LAUNCHES
- NEW PARKLAND ACQUISITIONS
- NATURAL OPEN SPACE PRESERVATION
- PLAYGROUNDS & SPLASHPADS
- TRAIL CONNECTIONS
- EXPANDING RECREATION PROGRAMS
- INDOOR SPORT COURTS & FIELDS

Any other comments:

Please reply by October 23, 2017.

There have been several opportunities for you to participate, including a survey, public meetings, stakeholder discussions and an online community forum. This process provided an excellent opportunity to identify ways in which to best serve the recreational needs of our growing community over the next six to ten years.

Final review and adoption of the new Plan tentatively is scheduled for February 2018.

Check back soon for more information about public meetings and other outreach.

Community Survey (2017)

The District conducted a 400-person phone survey during June 2017 to help establish priorities for the future development of parks and recreation facilities, programs and services within the community.

The 2012-2018 Comprehensive Plan has been the District's guiding policy document for the past six years. The plan has been a critical tool in directing the District's growth and development in areas of capital projects, programs, facilities and parks.

This project webpage will provide updates on the planning process, public meeting schedule, surveys, and more. For more information, call 253-858-3400.
